Lone Star Murder Mystery

What Can I Expect?

Five of our professionally trained actors perform an original, fully scripted, comedy murder mystery around your seated guests providing a fun opportunity for the characters to interact with your party. There is a chance for each table to interrogate each of the suspects to help put them on the trail of the killer.

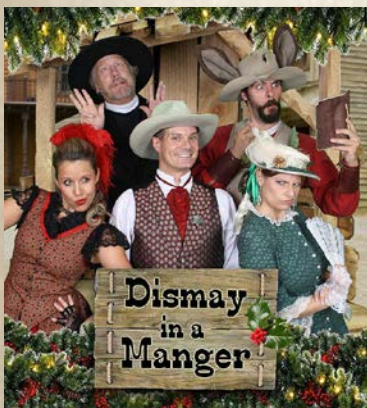

A Great Team Building Experience!

If you're looking for a unique team building experience full of laughter and fun, a Lone Star Murder Mystery is the perfect choice for you. To increase the level of difficulty, each team gets only three questions to determine who they think is the killer, how they did it, and why they did it. Want to give incentive? We can narrow it down to one winning team at the end to allow the opportunity for a prize to be gifted by your company.

Fundraiser Opportunity

Our Murder Mysteries draw in large crowds and can be used as a great fundraising opportunity for your favorite charitable or non-profit organization. Ask how we can assist you in creating your own program with plenty of sponsor ad space. Previous fundraisers include: The American Cancer Society, Alberta Bair Theater in Billings, MT, and Donald W. Reynolds Library in Durant, OK.

Corporate Holiday Parties

Our most popular time of the year is the holidays! Because what says "Happy Holidays" better than a murder? Our holiday themed murder mysteries are a huge hit for corporate holiday parties. Team Building

Experience team building with an Old West flair. Round up your corporate herd for an afternoon or evening of team work. Let our cowboys and saloon girls show your employees a good time while they work together to overcome such challenges as Barnyard Trot, Outhouse Horseshoes, Quick Draw, Rodeo Relay, and more! With a variety of challenges to choose from, we can help you select the perfect team building activities for your western themed event.

Cowboy College

Our Cowboy College is designed to teach “green-horns” the skills that were required to survive as a real cowboy in the Old West of the 1880s. The Marshal and his posse will train your group with our three-part course of Roping, Riding, and Shooting. Those that pass all three courses will graduate and receive a diploma designating them as “Cowboys” and “Cowgirls.” This event should only be scheduled at a venue where an arena or large outdoor area is available.

**The time length of this event depends solely upon the number of attendees.*

Scavenger Hunt

Walk in the footsteps of western legends who wove the colorful tapestry of Texas history. Groups are divided up into teams. Teams must stay together as a unit or else we "brand the strays." Each team will receive their own personal assignment with a particular point value. The team with the most points wins!

Our scavenger hunts are designed to entertain and educate guests about the more popular destinations in the Dallas/Fort Worth area including the Fort Worth Stockyards and Sundance Square. We can also design custom scavenger hunts for the location of your choice.

Guided Tour

Take a journey through the Historic Fort Worth Stockyards. An 1880s crowd-pleasing cowboy guides your group to discover the little known mysteries of days when authentic cowboys roamed the streets. During this tour, you will uncover the history and become a part of the legend!

Roulette

Place your bets! Guests place bets with the chance of a variety of payout options based on where the ball lands on the roulette wheel. Bet red or black and receive an even payout; but if you bet big and the ball lands on your number you can win big! Roulette is a super fun casino game.

Craps

If you hear a lot of hollerin' going on at a casino, you can bet it's at the Craps table! Guests wager on rolls of the dice and payoffs vary based on the type of bet placed.

Texas Hold'em

Flops, turns, holes, and rivers! You must be talkin' about Texas Hold 'Em Poker. Each player is dealt two hole cards, then they place their bets. From here, players can see flops and turns, all including a round of betting. The final card pulled is called the river card, and one last round of betting. The best five card hand wins!

Blackjack

Hit me! Guests play against the dealer in hopes of getting closer to 21 than the dealer without "busting" or going over. The tables feature western graphics on the top felt and cowhide front panels.
